Agenda Caption: Consider and act upon adoption of an Ordinance renaming Gibbs Road to Rockhill Parkway. Case No. STRE15-0005.

Action Requested: City Council adoption of an Ordinance renaming Gibbs road to Rockhill Parkway.

Background Information: Gibbs Road extends east from FM 423 and terminates where it turns to the north as Hawkins Lane (proposed Hollyhock Road). The street is shown as a continuation of major thoroughfare Rockhill Parkway. Thus, the street name is proposed to be changed.

Board Review/Citizen Input: Property owners along this roadway were notified and encouraged to submit comments. No comments have been received to date.

Alternatives: The City Council could choose not to adopt the Ordinance, therefore not changing the street names.

Financial Considerations: Replacement cost for the street name blades is estimated at \$150 for Gibbs Road at the intersection of FM 423.

Legal Review: The City Attorney's office prepared the Ordinance.
