**Subject:** Request for City Council consideration of a purchase order to Physio-Control, Inc. for the annual purchase of cardiac monitor supplies for the FY 2017

Attached for your consideration is a request for City Council consideration and approval of a purchase order to Physio-Control, Inc., in the amount of \$29,250 for the annual periodic purchase of disposable supplies by the Frisco Fire Department for FY 2017. The cardiac monitors utilize disposable supplies in the course of their operations in serving the general public. Examples include precordial lead cables, SPO2 cables, test load drives, and defibrillation cables.

Physio is the sole source provider of Lifepak 15 cardiac monitors and supplies. The Department anticipates spending \$29,250 for the FY 2017 for the purchase of disposable cardiac monitor supplies. Funding for these purchases is included in the Frisco Fire Department Operating Budget, EMS Division (13537000-61150). The anticipated purchases are within the current budget estimate. I respectfully request that this item be placed on the November 1, 2016 City Council meeting agenda for consideration and approval.
