**SUBJECT: DUMP TRUCK PURCHASE FOR FY 2017**  
**DATE: NOVEMBER 3, 2016**

The Stormwater Division was approved for a new Stormwater Crew in FY 2017. Included for this crew was the purchase of a new dump truck. The unit is available from Southwest International through BuyBoard Cooperative contract # 430-13. The specifications are for an International truck with a 12-yard Warren dump body with hydraulic controls.

If ordered prior to 11-15-16, the purchase price will be \$109,730. If ordered after 11-15-16, the price will increase.

Your assistance on getting this on the next City Council agenda will be appreciated. Please contact me if you have any questions.
